

# **Celebrate International Waffle Day – where else but at Duck & Waffle?**

**Duck & Waffle Edinburgh will be the place to celebrate International Waffle Day with the return of Waffle Week later this month.**

From Monday, 24 to Sunday 30 March, waffles will take centre stage in an imaginative showcase. Diners can expect an irresistible lineup of sweet and savoury creations taking the classic dish to new heights.

This year's lineup features the savoury Smoked Salmon Waffle with cream cheese, rocket pesto and pickled shallots. The Scottish inspired Square Sausage & Egg with cheddar cheese, brown sauce, pickled onion and monster munch.

For those who prefer a sweet dish, the decadent Carrot Cake with cream cheese frosting, candied pecans, carrot crisps and cinnamon ice cream and the scrumptious Chocolate Peanut Butter Fudge with chocolate ganache, vanilla ice cream and peanut crunch are on the menu. All of these special creations are available in addition to the à la carte menu.

“Waffle Week is one of our most anticipated celebrations,” said Alex Winter, General Manager at Duck & Waffle Edinburgh. “It’s a chance to indulge, innovate and push the boundaries of flavour – we can’t wait to share our 2025’s delicious new creations”.
