Daljit Singh has departed his role as Executive Director at the Hibernian Community Foundation.

Mr Singh joined the Hibernian Community Foundation in 2022 and drove the strategy to raise funds and help increase the reach of HCF throughout Edinburgh and the wider community.

During his time, he played an integral role in the Christmas Appeal, the 24-hour Ron Gordon Challenge, the cycle from Hampden to Home and more.

On the departure, Steve Smith – the chair of the Hibernian Community Foundation – added: “Firstly we’d like to thank Daljit for his contribution to the Community Foundation over the last three years.

“He has driven a number of successful initiatives that have proven to be extremely popular and engaging with people in the local community.

“Daljit has made the decision to leave the Community Foundation, and we wish him nothing but the best for the future.”

The Hibernian Community Foundation will be continued to be led by Steve Smith and the Foundation Board.
