The Star-Studded Lineup: Standard Dreamchasers Cards

You will find 20 standard EA FC 25 Dreamchasers cards in this promo. These cards include both male and female players. Moreover, these will be known players and they have all played well in UEFA competitions. The player ratings are very good,

from 88 all the way up to 95. This means you are only getting very skilled players to be on your team.

Attackers Leading the Charge

The attackers are very strong in this promo. You will be able to get not only legendary players but also young talent coming onto the scene. If that is not enough, you can also get some incredibly talented female players. Players can expect the following player cards:

- Kylian Mbappe (95)

- Harry Kane (95)

- Lautaro Martinez (94)

- Wirtz (94)

- Nwaneri (93)

- Pajor (93)

- Alexia Putellas (94)

Midfield Maestros and Defensive stalwarts

You can also expect some very strong defensive players on these cards. The following players you can get:

- Marcos Llorente (93)

- Dominik Szoboszlai (90)
- Nico Schlotterbeck (92)
- Ibrahima Bamba (92)
- Moises Caicedo (93)

Across the Competitions

The cards are distributed across the various UEFA competitions, ensuring a diverse range of players. From the Champions League's elite to the Europa Conference League's emerging talents, the Dreamchasers promo celebrates the breadth and depth of European football.

Legends Reborn: Icons and Heroes

Adding a layer of nostalgia and prestige, the Dreamchasers promo also includes seven Icons and Heroes cards. These legendary figures, who have left an indelible mark on UEFA

competitions, offer players the chance to field some of the greatest names in football history.

Iconic Figures

The Icons cards in the EA FC 25 Dreamchasers promo include some legendary players. You will get:

- Raul (94)

- Birgit Prinz (94)

- Rivaldo (94)

- Marcel Desailly (92)

- Claude Makelele (92)

Players should know that these cards have impressive stats. Moreover, they represent the long and exciting history of the sport. This adds something special to your squad.

Heroic Returns

The Heroes cards, such as Lucio (94) and Bixente Lizarazu (92), provide a bridge between generations, offering players the chance to experience the brilliance of these past heroes in the modern game.

How to get the Cards

Securing these coveted Dreamchasers cards requires a combination of luck and strategic planning.

Pulling from the Pack

The most straightforward, albeit risky, method is through Ultimate Team packs. However, the probability of pulling a specific Dreamchasers card is notoriously low, making it a gamble.

Squad Building Challenges (SBCs)

SBCs offer a more reliable pathway to acquiring Dreamchasers cards. These challenges require players to exchange squads that meet specific criteria, rewarding them with guaranteed Dreamchasers cards. By carefully managing resources and completing SBCs, players can strategically build their Dreamchasers collection. It is important to remember that SBCs change often and require quick action to complete.

Embracing the Dream

The Dreamchasers promo in EA Sports FC 25 is not just about new cards. This event is a celebration of football's past and present. However, you need to know how to get these cards, so you can build a strong squad. Your squad will show the spirit of European football. You can chase Champions League glory or remember old legends. The Dreamchasers event will be a great time to celebrate the game we all love.
