

Friends of King George V and Scotland Yard Parks need you

The Friends of King George V and Scotland Yard Parks admit they have been quiet of late, but they are looking to regroup by holding an AGM.

This will be held at Broughton St Mary's Parish Church at 7pm on 23 April.

There will be at least six committee positions open for helpers, including the Chair and Secretary. For more details please email parkagm2025@gmail.com

The group is keen to hear from anyone with online skills and would like the new committee to reflect the demographic of people who use the park on a regular basis. Also if you have space to store our gardening tools we would love to hear from you.

Everyone is invited to watch out for posters nearer the time, with a link to the event.
