

Gunn Goblet goes to Team Stretton at Curl Edinburgh

The annual Capital League Skins night was held at Curl Edinburgh with 12 teams playing six one-end games and prizes available for each skin gained.

After a couple of hours play it all came down to the last shot of the last game and team Stretton emerged victorious with most skins won.

Niall and Graham Gunn had decided to re-purpose the Gunn Goblet as the trophy for this event and Niall did the honours with the winning team.

The event, organised by Aaron Forsythe, brought down the curtain on the competitive season at Curl Edinburgh.

** Champion curler Bruce Mouat – world, Olympic and European gold medallist – took time out from preparing to represent Scotland in the men's world championships in Canada from 30 March until 6 April, along with his team, to make a presentation at Edinburgh Curling Club to Lorna Nicolson who has been running the bar for 20 years.*

Bruce is pictured presenting Lorna with a card and flowers.
