

Hibs announce Ladies Day experience at Dundee game in April

Hibs have announced a Ladies Day experience at their upcoming William Hill Premiership fixture with Dundee in April.

The club are offering an exclusive 'Ladies Day' hospitality package on Saturday 12 April, which will take place in the newly revamped Famous Five Experience lounge at Easter Road.

With all Albion Bar, Pioneers, Tornadoes and Edinburgh Club suites all sold out for this fixture – this is supporters last chance to purchase a hospitality package for this fixture.

Hosted by Grant Stott, the full package includes a drink on arrival, followed by an afternoon tea before the game and an inclusive bar throughout.

As part of the package, guests will receive an executive seat in the Famous Five upper tier – with half-time refreshments and snacks provided.

Alongside the football and food, the club has invited a range of brands and shops along for the day – including Molton Brown, Mimi's Bakery, Harrods Beauty and more!

Guest brands will be offering special treatments along with some fun interactive elements on the day with some great prizes to be won!

Doors open from 12:30pm, with access to our 'Behind

The Goals' sports bar also included in the package.

Tickets can be booked via the club's website.
