

Police “increasingly concerned” about welfare of missing woman

Police in Midlothian are appealing for the public’s help to trace 29-year-old Toni McNelis, who has been reported missing from Penicuik.

Ms McNelis was last seen around midnight on Friday, 14 March, in the Edinburgh Road area of the town.

She is described as being around 5ft 4in tall, of slim build, with long blonde hair. It is not known what she was wearing.

Police believe she may have travelled to the Glasgow area and also has links to Edinburgh.

Constable Stuart Neal said: “We are becoming increasingly concerned for Toni’s welfare and are working to trace her as soon as possible.

“Her family and friends are extremely worried and just want to know she is safe and well.

“Anyone who has seen Toni or knows where she might be to contact police as soon as possible.

“I would also appeal directly to Toni – if you see this, please get in touch to let us know you’re okay.”

Anyone with information is asked to contact Police Scotland on 101, quoting incident number 1545 of 20 March.
