

# **Second Manager of the Month award for David Gray**

**Hibs head coach David Gray has been named the Scottish Premiership Glen's Manager of the Month for February 2025.**

And he thanked his staff and players for their contribution.

This is the second time this season Gray has been given the award, winning it back in December for his team's fine form.

During the month of February, Hibs have picked up 10 points out of a possible 12 – including wins over Aberdeen, Celtic, and Dundee United.

And he could be on the way to a hat-trick after starting March with a derby victory.

On winning the award Gray said: "This is very much a reflection on how well the group has done.

"It's been a difficult month because of the fixtures we've had, but to have the kind of points return we've had is a reflection of everyone's hard work.

"I'd to thank the players and all the staff for their efforts."
