Police in West Lothian are appealing for information after two vehicles were stolen from outside a house in Bathgate.

Around 3.35am on Monday, 12 May, 2025, officers received a report that access had been gained to a house in Bisset Place, Bathgate and a grey coloured Range Rover, VRM YL67 BZN, and a blue Ford Transit van, VRM BN64 XXZ had been stolen.

The Transit van was recovered in Poltonhall, Bonnyrigg after it had crashed. It has been removed for forensic examination.

Enquiries carried out have established that attempts were made at two other properties in Bisset Place today but they were unsuccessful.

Officers believe a silver VW Scirocco vehicle is being used by those involved and that this car was stolen in a previous incident.
