The annual cost is £33, some of which covers the postage costs and the rest will help us to keep bringing you the news and producing a newspaper.

Our target is to have 500 new subscribers in 2023. That would ensure that we can produce the paper for a whole year. And any surplus would of course be reinvested in our site, or in employing a new member of staff.

If an annual subscription is too much of a commitment then could we ask you to contribute a smaller amount – for a cup of coffee – through [ko-fi](#). Any small amount helps us a lot – and

it takes a lot of coffee to produce the news.

We believe in honest, straightforward articles without bias or sensationalism, and our written articles are often linked with our videos, photos and podcasts.

We are primarily funded by advertising, but we are also looking for a little support from our readers.

And thank you very much indeed if you subscribe or send us a coffee.
