

NO to cuts to Rail, Ferry and Energy Services

A fair deal for the people of Scotland

RMT says **NO** to Scottish Government cuts to our essential rail, ferry and energy services and we say **YES** to a fair deal for workers and the people of Scotland who rely on these services.

Rail Infrastructure

RMT says **NO** to Scottish Government cuts to rail infrastructure renewal and enhancement projects

We say **YES** to the filling of vacant posts within Network Rail Maintenance function in Scotland

We say **YES** to improvements in weather proofing resilience of Scotland's railway infrastructure

ScotRail

RMT demands an end to attacks on our ScotRail services

We say **NO** to a reduction in booking office hours

We say **NO** to booking office closures

We say **NO** reduction in the number of train services

We say **YES** to ensuring the safety of the public

We say **YES** to disabled people having full access to our rail services

We say **YES** to a greener railway

We say **YES** to staffing our stations

CalMac

RMT says **NO** to Project Neptune's planned restructuring of Scotland's ferry services

We say **NO** to the unbundling of routes

We say **NO** to the decimation of lifeline ferry services

We say **YES** to Keeping CalMac public

Energy

We say **NO** to security of energy supply being put at risk as prices soar

We say **NO** to skilled oil and gas workers being abandoned with thousands of jobs slashed while thousands more face redundancy

We say **NO** to having no manufacturing base for renewable energy transition

We say **NO** to the domestic employment opportunities being sold to the lowest bidder abroad

We say **YES** to a just transition for oil and gas workers
